

Invitation to visit

Nuremberg, Germany

27 – 29.4.2010

TechnoPharm 2010

International Trade Fair for
Life Science Process Technologies
Pharma – Food – Cosmetics

Together with

POWTECH 2010

NÜRNBERG / MESSE

Powerful exhibition duo!

More than 15,000 experts used the TechnoPharm and POWTECH 2008 duo – with a spectrum of products and services from more than 1,000 exhibitors.

Your advantage – two exhibitions, one theme!

TechnoPharm is twice as attractive in combination with POWTECH. Profit from the many attractions of the leading exhibition for powder, granule and bulk solids technologies. Here you find the top international developments in key technologies like size reduction, milling, screening and mixing, which help to ensure your long-term success in the chemical, pharmaceutical and food industries.

Know what the market needs

As a TechnoPharm visitor you are closer to the market, for the world of life science process technologies meets in Nuremberg. Here you can experience progress live, literally “grasp” innovations, and find out at first hand which process technologies secure the decisive competitive advantages for your company in the pharmaceutical, food and cosmetic sectors. Be there when the industry shows the latest trends. In Nuremberg you talk to the leading international experts and profit from a uniquely established and unparalleled range of products.

Look forward to three highly effective days at the exhibition with the top issues from the clean room sectors. Nowhere else will you find such a compact and sound range of products, which is enhanced even more by the attractive supporting programme and the accompanying WCPT6 (World Congress on Particle Technology, supported by PARTEC). The industry platform ask-TechnoPharm is available again this year for optimum planning of your visit. Get fit for tomorrow’s challenges – with a visit to TechnoPharm 2010.

We would be pleased to see you.

Welcome to TechnoPharm!
